Health, Wellbeing & Inclusion

At Miami State High School we practice differentiation to support all students, with a strong focus on well-being and inclusion.

Deaf and Hard of Hearing Support

Miami State High School has a long and rich history of being a centre for Deaf Education on the Gold Coast. Our aim is to provide 'world class' education that allows our Deaf and Hard of Hearing students to access a diverse and inclusive learning environment that supports their potential for success.

The school also employs Educational Interpreters, native Deaf Auslan Language Models (ALM) and Notetakers to ensure 'world class' education is achieved. A captioning team is also available to provide full access to all classroom and assembly video content, and voice-to-text live-captioning technology is used to support the English literacy of our students.

Auslan (Australian Sign Language)

This program is available to all students with the aim of building deaf awareness and spreading the use of Auslan throughout the school.

English as an additional language or dialect (EAL/D) Support

Our EAL/D students are supported through literacy and reading programs, a specialised English subject and free tutoring. EAL/D PDs are also offered for teachers to upskill in this area.

Learning Support

We offer supportive learning classes in Years 7 to 9 for students who may require extra support, with smaller class sizes, increased scaffolding and teacher aide support.

Acknowledgement of Country

Miami State High School would like to acknowledge the traditional custodians of this land, the **Kombumerri Saltwater People** and the land on which we meet.

We would like to acknowledge the Aboriginal and Torres Strait Islander people in our school and the First Nations peoples of other countries who call Miami High home.

We pay our respects to the Elders who hold our stories and the stories of the Kombumerri Saltwater People. The Elders pass down our culture. For without Elders we wouldn't have our connection to country, tradition and language.

Miami High School is the site of great significance for the Kombumerri Saltwater People. It is a place of connection through the land, the water, and animals.

We pay our respects to all Elders, past, present and emerging.

Community Engagement

We provide multiple opportunities for our students to engage with the wider community in meaningful ways, encouraging awareness of diversity, local and world issues and fostering a culture of inclusion and social justice. Initiatives include:

- Harmony Day
- NAIDOC Week
- National Close the Gap Day
- National Reconciliation Week
- International Women's Day
- First Nations celebrations
- World's Greatest Shave

Our Community Partners

Sponsorship Initiatives

Please consider a sponsorship of our school initiatives that will improve outcomes for students.

Our school is very much a part of the community, and as we are a powerful conduit to thousands of families, this is not a request for a donation but a mutually beneficial opportunity.

We would like to discuss with you how sponsorship can deliver on a range of objectives including but not limited to:

Increase brand visibility/awareness/credibility/loyalty

Showcase social/community responsibility

Foster relationships with school leadership and P&C

Foster relationships with school community

Digital activations

Engage your employees

Product/service demonstration, display

Stimulate sales and enquiry

Exposure at school events

Entertain clients and staff

Association with school community engagement activities

Highlight employment/career opportunities

Network with co-sponsors

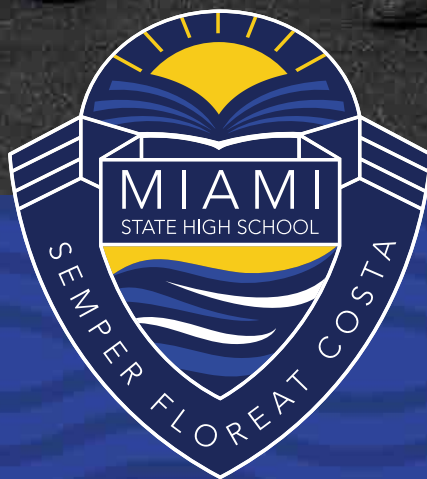

Hosting school or P&C events

Use of Gold, Silver or Bronze sponsor designated logo

Business category exclusivity
