STUDENT EXPECTATIONS:

Miami State High School is a uniform school and all students are required to wear the complete school uniform each day. Students should be fresh, neat and tidy in their uniform at all times.

The school uniform supports our school priority of high expectations and creates a positive culture for learning both within the school and outside of it in the wider community.

2026: It is a requirement that students will have both formal and sport uniforms, wearing them a minimum of two days each per week. In 2026 the allocated formal uniform days are Monday and Friday. All students are required to be in formal uniform on these days. Where possible HPE type subjects will be timetabled as theory lessons, otherwise students will be required to change into their sport uniform.

Some practical subjects e.g. Dance, Drama, Aquatic Practices may require students to change into relevant attire of their sport uniform for the allocated lesson. Teachers will inform parents directly of expected requirements.

Students are required to wear their formal uniform for all formal occasions including school excursions, ceremonies and any other formal school or public functions.

Miami SHS uniforms are to be worn correctly, in their entirety, every day from leaving home until returning home from school.

Students must not:
