

Certificate II in Leather Production

MST20319

Tactile Learning Centre Pty Ltd

RTO No: 30922

VET on
campus

This entry level qualification in Leather Production can take you into a variety of trades like leather production, shoe repairing, and orthopaedic or bespoke shoemaking. But it can also launch you anywhere in the TCF (Textile, Clothing and Footwear) industry like fashion design, textile production or even millinery.

If you enjoy making things by hand and are interested in entering the Textile, Clothing & Footwear industry, this course is for you!

Refer to training.gov.au for specific information about the qualification.

Pathways

Entry requirements

There are no entry requirements for this qualification. At enrolment students will need to provide their Unique Student Identifier (usi.gov.au) and complete an LLN test to determine suitability and any support needs.

Duration and location

This is a 9 month course delivered in year 11 on site with qualified trainers via a third party arrangement with Tactile Learning.

Fees

VETiS funding option – no training cost for eligible students

QCE Points

Maximum of 4 credits.

Course Units

Students must successfully complete all 13 units of competency (5 core units plus 8 elective* units) to attain this qualification.

Unit code	Unit title
