

Did you know?

Career Training Institute of Australia have been delivering quality training & assessment for 26 years! Enrolling now for 2025.

We offer VET courses in: Tourism and Hospitality online and face to face including industry realist practical excursions as part of the course.

Practical is our focus: We provide a hand on approach with practical application to support learning.

Flexible delivery options: Online and face to face or a combination of both. If you have 1 student or a class cohort, we work with you to find a delivery strategy that's best for your students.

We offer a holiday program: Study in a real hotel at the Sheraton Grand Mirage Resort on the Gold Coast, our next intake coming in September

Internships for graduates: We offer our students opportunity to apply for an internship with Daydream Island resort in the stunning Whitsundays.

Peace of mind - Know you are working with a reputable, reliable RTO who offers quality vocational education. References happily provided.
