# Experience Day

## Music Recording and Production

***Tuesday 14 October***

The best way to know if something is right for you is to experience it firsthand. We invite current school students to get a taste of what it's like to study Music at the Coomera Creative campus.

Students will experience an introduction to recording including studio signal flow, mic choice, placement and multitracking. We will then take these recorded files and apply fundamental mixing techniques and

processing including Routing, Submixing EQ, Compression, Reverb and Delay.

**Time:** 9:30am–2:30pm

**Who:** This Experience Day is for current Year 9, 10, 11 and 12 students and their educators

A café is available onsite for those who wish to purchase lunch.
