

OSMAC SCHOOL-BASED AGED CARE PROGRAM

The OSMAC School-Based Traineeship in Health Care is a program aimed at Year 11 students who are wanting to pursue a career in Aged Care in 2024. The objective is to arm students with Information and the practical skills to prepare themselves for the transition from school into the Health Industry.

The OSMAC School-Based Traineeship in Aged Care will benefit your students with:

- **Commencing their paid traineeship in HLT33115 – Certificate III Health Services Assistance.**
- A hands-on experience working in a n Aged Care setting.
- An insight into a Health care workers perspective and expectations.
- A safe learning environment for students to practice the work/life skills and gaining entry level opportunities into Health Industry pathways.
