

April/June 2025 School Holiday Program is Now Open!

Are you in Years 10-12 and interested in a career in healthcare? Our [HLT23221 Certificate II in Health Support Services](#) school holiday program is the perfect opportunity for you to gain a nationally recognised qualification in Healthcare *without* impacting their current school commitments.

[Enrol Now](#)

This blended learning program includes:

- ✓ **Hands-on practical training** during the April and July school holidays
- ✓ **Self-paced online study** over 10 weeks (approx. 4 hours per week)
- ✓ **VETiS funding eligibility** for Queensland students (conditions apply)

Upon completion, students will develop key skills in infection control, communication, teamwork, and workplace safety, providing a strong foundation for future study or employment in the healthcare sector.

An ideal option for students looking to:

- ✓ Gain industry experience and an entry-level qualification
- ✓ Complement an ATAR pathway with practical, career-focused learning
- ✓ Explore pathways into healthcare

Places are limited, so secure your spot today!
