The practical component is completed at our modern training salon conveniently located on the Gold Coast. The duration of the course is up to 16 weeks but is competency based so can be completed as soon as you meet the requirements of your course.

The cost of the course is covered through VETiS funding (please speak to your School guidance person to confirm you are eligible or click on the following link <https://desbt.qld.gov.au/training/providers/funded/vetis>)
